

**Adjunct Faculty in Chemistry/Biochemistry**

College of the Ozarks seeks applicants for a part-time faculty position in the department of chemistry/biochemistry. Primary responsibilities for this position will be teaching undergraduate chemistry courses and laboratories for introductory chemistry, general chemistry, and general organic biochemistry. Candidates should hold at least an M.S. in chemistry, a Ph.D. is preferred, as is undergraduate teaching experience.

Successful candidates must embrace the College's Christ-centered mission and demonstrate excellence in teaching undergraduate students, a commitment to serving as a mentor and positive role model, and an interest in the relationship of chemistry and the Christian faith. College of the Ozarks is a small (1,500 students), liberal arts, work-study college with a commitment to evangelical Christian faith and service located in southwest Missouri near Branson ([www.cofo.edu](http://www.cofo.edu)). To apply, please send a letter of application and CV to: Dr. Eric Bolger, Provost, PO Box 17, Point Lookout, MO 65726, or email [aoliver@cofo.edu](mailto:aoliver@cofo.edu).
