

Radio Station Manager (KCOZ)

College of the Ozarks is seeking a Radio Station Manager for its station, KCOZ. This full-time position includes benefits. The Radio Station Manager oversees a student staff. Applicants need to have a working knowledge of the operation, maintenance, and repair of studio, transmitter, and tower equipment. Applicants also need expertise in creating and overseeing quality radio programming, while following regulations and guidelines set by the FCC. The Radio Station Manager may also be asked to teach a radio/broadcast class. The successful candidate will demonstrate motivation and ability to complete projects and possess good communication skills, a positive attitude, and excellent organizational skills. He or she will also support the College's Academic, Vocational, Christian, Cultural and Patriotic goals and demonstrate a commitment to serving as a mentor and a positive role model with student workers. This position requires a background check. Consideration of applicants will begin immediately. Please submit resume/application to Vicki Wrosch in the Business Office, College of the Ozarks, P.O Box 17, Point Lookout, MO 65726 or email hr@cofo.edu.
