

Faculty Position in Engineering

College of the Ozarks is seeking a full-time faculty member to teach in-person courses in the ABET-accredited multi-disciplinary engineering program in the James P. Keeter School of Engineering. The focus for this position will be teaching undergraduate courses in areas such as industrial/manufacturing engineering and/or chemical engineering.

College of the Ozarks is committed to hiring faculty members who embrace the institution's Christian mission, pursue excellence in teaching undergraduate students, serve as mentors and positive role models, and work collaboratively with faculty and staff. Applicants should have an M.S. or Ph.D. in engineering, or an M.S. or Ph.D. in a relevant non-engineering field with significant, documented engineering experience, or a P.E. license. To apply, please send a letter of application, CV, transcripts, and three letters of recommendation (including one from your pastor) to Dr. Eric Bolger, Provost, PO Box 17, Point Lookout, MO 65726, or email aoliver@cofo.edu.
