

Faculty Position Chemistry/Biochemistry

College of the Ozarks invites applications for a full-time teaching position in the Chemistry Department. This position requires a PhD in organic or bio-organic chemistry. Teaching responsibilities will include organic and biochemistry courses with additional load in freshman level courses. The successful applicant will be evaluated primarily on teaching/advising; however, other forms of scholarship as well as service to the College and community are actively encouraged and supported. Starting date is August 2026. Rank and salary commensurate with qualifications and experience.

The successful candidate must embrace the College's Christ-centered mission and demonstrate excellence in teaching undergraduate students, a commitment to serving as a mentor and positive role model, and an interest in the relationship of the natural sciences to Christian faith. College of the Ozarks is a small (1,400 students), liberal arts, work-study college with a commitment to evangelical Christian faith and service, located in southwest Missouri near Branson (www.cofo.edu) Send letter of application, CV, transcripts, and three letters of recommendation (including one from your pastor) to: Dr. Eric Bolger, Provost, PO Box 17, Point Lookout, MO 65726, or email to aoliver@cofo.edu . Review of applications will begin immediately and continue until the position is filled.
