

## **Faculty Position in Engineering**

College of the Ozarks invites applicants for a full-time faculty position in engineering starting spring semester 2026. The ABET-accredited multi-disciplinary engineering program includes core courses in mechanical, electrical, civil, industrial, agricultural, and chemical engineering. Our student-focused undergraduate institution values self-motivated, versatile faculty with strong teaching skills and the ability to work and communicate effectively with other faculty members.

The successful candidate will embrace the College's Christ-centered mission, demonstrate a commitment to undergraduate teaching excellence, desire to serve as a mentor and positive role model, and pursue integration of the engineering teaching and practice with Christian faith.

Teaching responsibilities will include core engineering topics in areas of departmental need, particularly those relevant to the selected candidate's engineering background. Candidates with experience in industrial/manufacturing, chemical engineering, or civil engineering-structures and who can teach courses across multiple disciplines will be given preference. Non-teaching responsibilities include working with other faculty and staff to maintain laboratory equipment, advising students, and participating in assessment and evaluation activities to maintain ABET accreditation.

A Ph.D. in engineering, teaching experience, engineering licensure, and industry experience are preferred. As a minimum, the candidate should possess either a P.E. license; an M.S. in engineering; or an M.S. in a relevant non-engineering field accompanied by significant, documented engineering experience.

College of the Ozarks is a small (1,400 students), liberal arts, work-study college with a commitment to evangelical Christian faith and service, located in southwest Missouri near Branson ([www.cofo.edu](http://www.cofo.edu)). Class sizes are small, generally 10-30 students in STEM courses. The college has a strong sense of community among faculty, staff, and students.

Send letter of application, CV, transcripts, and three letters of recommendation (including one from your pastor) to Dr. Eric Bolger, Provost, PO Box 17, Point Lookout, MO 65726, or email [aoliver@cofo.edu](mailto:aoliver@cofo.edu). Review of applications begins immediately and continues until the position is filled.
