

Clinical Therapist (FLCA Status: Exempt)

Department: Student Counseling Center (SCC)

Reports To: Director of Student Counseling

Summary

Provide individual counseling, crisis response, and outreach that supports student success. Work closely with campus medical staff and community providers.

Confidentiality and empathy are essential.

Key Responsibilities

- Deliver weekly counseling/psychotherapy and assess suicide risk.
- Utilize EHR scheduling and maintain clinical documentation.
- Coordinate collaborative care both on and off campus.
- Facilitate hospitalizations, medical withdrawals, and referrals when needed.
- Facilitate groups and engage in campus outreach opportunities.
- Act as a consultant for campus faculty, staff, and students about SCC services.

Qualifications

- Master's in Professional Counseling required.
- 3+ years counseling experience preferred.
- Current professional licensure and continuing education maintained, or eligibility for provisional licensure base on Missouri licensing laws.
- Strong crisis intervention skills, HIPAA knowledge, and clear communication.

How to Apply

Send a letter of application, CV or resume, transcripts, letters of recommendation, plus license information, to:
